

Lori Sayles

Director of Construction

Ventura

Lori has been working in the construction industry since 1985 and has experience in all aspects of the construction business, from office management and accounting through project design, estimating, scheduling and construction. Project types have included tenant improvement, telecom, seismic upgrades, commercial, industrial, restaurants, churches and residential.

Lori has been with Staples Construction since 1991 as an estimator and senior project manager. She also participates in contract negotiations, subcontract management and employee training programs.

In 1984, Lori received her Bachelor's of Science Degree in Business Management cum laude with a minor in Human Resources from Cal Poly, San Luis Obispo.
